### **Art Practice | Copyright Law | Intellectual Property | Trademark Law**

Kate Rowe advises clients in matters involving intellectual property, marketing, publishing, and licensing issues. She represents clients in varied fields, including publishing, visual arts, real estate, hospitality, outdoor recreation, insurance, transportation, retail sales, apparel, product manufacturing and distribution, and entertainment. Kate handles large trademark portfolios for many clients and assists her clients in developing intellectual property global protection strategies. She handles complex intellectual property-related transactions.

Kate is a member of the Directors Advisory Board of the Whitney Laboratory for Marine Bioscience, a University of Florida research institute.
