Term	The loan term is five four (5) years.	Upsized tranche has loan term of five four (5) years.	The loan term is five four (5) years.
Collateral \$	The loan may be secured or unsecured. At the time of origination or at any time during its term, the MSNLF Loan may not be contractually subordinated in terms of priority to the Borrower's other loans or debt instruments. This means that an MSNLF Loan may not be junior in priority in bankruptcy to the Borrower's other unsecured loans or debt instruments. So if a Borrower has existing secured debt, the MSNLF Loan should also be secured or otherwise pari passu to the secured debt in bankruptcy. (cont.)	An MSELF upsized tranche must be secured if the underlying loan is secured. In such case, any collateral securing the prior underlying loan (at the time of upsizing or on any subsequent date) must secure the MSELF upsized tranche on a pro rata basis. If the Borrower defaults, the SPV and lender(s) would share equally in any collateral available to support the loan relative to their proportional interests in the loan (including the MSELF upsized tranche). At the time of upsizing and while the upsized tranche is outstanding, the upsized tranche must be senior to or pari passu with, (cont.)	The loan may be secured or unsecured.
