Areas of Practice

Litigation/Trial Practice | Intellectual Property Litigation

Jason Stearns is a Partner in the Litigation Practice of Smith, Gambrell & Russell, LLP and serves as the Managing Partner of the Tampa office. Mr. Stearns was previously a Partner with Freeborn & Peters, which combined with SGR in 2023.

Mr. Stearns practices in the area of complex commercial litigation. He has litigated several patent, copyright, and trademark infringement claims in federal courts throughout the country. In addition, he also represents clients in various industries with regard to contract, fraud, trade secret, and other business disputes.

Prior to joining the Firm, Mr. Stearns worked at Phelps Dunbar LLP. He also clerked for a federal judge and served in the U.S. Navy aboard two nuclear powered submarines as a nuclear propulsion plant operator and diver.

Mr. Stearns is an Adjunct Professor at Stetson University College of Law, where he teaches courses on Electronic Discovery, Federal Pre-Trial Practice, International Sales, and Arbitration.

Mr. Stearns earned his B.A. from Valdosta State University, and his J.D. from Stetson University College of Law, *cum laude*. He was a member of the Stetson Law Review, a member of the Moot Court Board, received the Edward D. Foreman Most Distinguished Student Award, and a member of the National Order of Barristers.

Continued

Representative Experience

- Representation of a large plumbing, heating, cooling, and electrical company in a copyright infringement dispute; obtained a successful jury verdict that defendants willfully infringed the client's copyright in a proprietary training manual and defeating intervenor's declaratory judgment claims for invalidity and ownership.
- Representation of an insurance intermediary in a federal court bench trial; obtained a complete defense verdict defeating claims alleging violations of state and federal statutes and unlawful interference with a business relationship as a result of the placement of force-placed hazard insurance on mortgaged properties being serviced by the client's customer.
- Representation of a suntan lotion manufacturer in a trademark infringement dispute with one of its competitors; obtained a successful jury verdict that found the defendant liable for its profits gained by infringing the client's common law trademark rights.
- Representation of a publicly traded silicone manufacturer; obtained a complete jury verdict in a complex U.C.C. matter and obtained a dismissal of all counterclaims seeking seven figure damages.
- Representation of a closely held company that creates and licenses photographic images for use in advertising; obtained a favorable settlement for a copyright holder against several defendants that were using copyrighted photographic images without a license.
- Representation of a manufacturer of silicone gel liners for prosthetics; worked on a team that obtained an eight-figure judgment in a patent infringement lawsuit against a competitor that made products that infringe on that patented technology (silicone-based gel products).
- Representation of a large manufacturer regarding an ingress/egress easement it owned at one of its distribution centers; obtained a "mid-trial" favorable settlement after jury selection and after several rulings by the court on matters of law.
